

About Us

Zolfo Cooper is one of the leading providers of corporate recovery and financial advisory services in the Caribbean. With offices in two of the leading offshore financial centres in the Caribbean - the Cayman Islands and British Virgin Islands - Zolfo Cooper's team of experienced, skilled and resourceful professionals is uniquely placed to meet all of the demands that today's corporate entities face. As part of Zolfo Cooper's worldwide network, the range and reach of services offered from the Caribbean is exceptional and we work with our colleagues in North America, Europe, Asia and Australia to deliver seamless global solutions. Our core services of corporate recovery and financial advisory services are complemented by our recognised expertise in litigation support and forensic investigations.

Corporate Recovery and Restructuring

Zolfo Cooper's professionals are experienced in providing restructuring and asset recovery services, often involving liquidation and other formal appointments, in complex, cross-border situations. With a global network of skilled professionals to augment our experienced Caribbean based staff, Zolfo Cooper is able to offer clients seamless solutions to unlock value in any situation. Our insolvency teams conduct proactive liquidations to ensure the prompt realisation of assets and subsequent distribution to creditors. Our restructuring experts, are able to provide rapid assistance to companies in distress; identify the nature and severity of the problem; develop solutions, often in conjunction with other professional advisors; and assisting with the implementation of those solutions.

Financial Advisory

With an enviable reputation in advising stakeholders in troubled situations, Zolfo Cooper provides management, secured and unsecured creditors with an informed reality check on the core issues surrounding corporate viability and the recovery of value, driven by analysis and experience. Our hands on expertise across the full spectrum of the financial sector and many other industries, combined with an understanding of how to overcome the divergent interests of economic stakeholders, ensures clients obtain realistic advice about how to deal with complex and often contentious issues.

Litigation Support and Forensic Investigations

By combining financial insight and experience with investigative techniques, Zolfo Cooper is able to uncover and unravel the facts surrounding allegations of fraud or misstatements. Our partners are frequently appointed as advisors and in certain cases as Court Appointed Receivers and Provisional Liquidators where complex and large, multi-jurisdictional disputes occur. Our team includes experienced forensic accountants and computer forensics experts as well as investigators skilled in tracing assets and assisting with their recovery.
